SIDE ONE

AV HORACHAMIM

Merciful father, with a broken heart; we come to plead before you today. Rescue those of our brethren who live in terror and persecution from oppression, sorrow and slavery. Nullify all evil decrees and strengthen the souls of Thy children who wait for your aid everyday. Deliver them from bondage and darkness to light and freedom, our strength and redeemer.

AHAYAS OLOM

O Lrd Thou has loved Thy people Israel with an everlasting love; taught us laws and judgments, Torah and precepts. When we lie down and rise up we will rejoice in the words of Thy precepts, Torah and laws forever. May you never take away your love for us O G-d, who loves Thy people Israel.

SARFE MALOH

A portion from an alphabetical acrostic recited during the Musaph Service of Yom Kippur. The words are a remembrance of the Ten Sages of Israel who were mercilessly put to death by the Roman government.

EMES KI ATO HU YOTZROM

This hymn expresses recognition that G-d is the creator and everlasting. Man is like a potsherd that breaks and grass that withers. His origin and ending is dust. Like a flower, shadow, cloud, breeze, dust and dream he fades away.

SIDE TWO

ATO YODEA

G-d knows the mysteries of the universe. Nothing is hidden from the sight of the Almighy. He knows the dark secrets of every living soul. Embodied in this prayer is also a plea for forgiveness and atonement for all our iniquities.

KI LEKACH TOY

This hymn is recited while the Sefer Torah is being placed in the aron hakodesh (holy ark). Let your priests be clothed with righteousness; and loving ones shout for joy. Turn not away from us O G-d. We shall return: renew our days as of old.

SIM SHOLOM

A supplication that G-d grant peace, happiness, blessing, grace, mercy and kindness to all Israel his people.
