SONGS OF MY PEOPLE

Side I

MY DREAM OF GRANDPA
(Singer)

Last night I dreamed... I dreamed I spoke to Grandpa, who left us for his Eternal Sleep so long ago.

"Tell me, zeide, what is it like for our people where you are?" And he told me...

Of the Angels in Heaven... the wise men and Sages who are all interceding with the Almighty for an end to the Misery and Oppression Our People have endured for centuries.

And he told me of Moses, our Teacher who asks, "Oh Lord, hadn't we suffered enough in days of old?"

And the Almighty answers, "Haven't I warned you to follow in my ways, paying no homage to false Gods and Idols?"

But Moses in his wisdom answers, "Yes, Lord we have sinned, but we are your children, and as our Father we beg you to forgive us again", whereupon our merciful Father in Heaven promises that as long as we obey His commandments, He will have mercy and help all... His children.

IN THE NEW TEMPLE
(Singer)

Even since the destruction of the second Temple, the Jewish People have lived in the hope and dream of a new Bes Hamikdash. The realization of these dreams are at hand, because God does not forsake us, and He is our Father - so is the earth of Israel our Mother. All will be welcome in our new Bes Hamikdash, none will be ostracized as we were... Come then, to our Land of Milk and Honey... come and join us as we sing the praises of our Lord in our new Bes Hamikdash!

OPEN THE T'HILIM
(Feingold & Greenblatt)

Open the Book of Psalms... Open the T'hilim!

Find beauty of word and thought therein! Find comfort and Solace for your pain...

Find the Word of God and follow in His ways, so that you may ever be beloved by all who are good and stay at peace with all who dwell about you. As it is said "The Lord shall keep thee from all evil... He shall keep thy soul - The Lord shall guard thy going out and thy coming in from this time forth and forever.

THE NEW WORLD
(Singer)

Once upon a time... the great Prophet Isaiah predicted a new world. Once upon a time... Isaiah said, "And they shall beat their swords into plowshares." Once upon a time, he told us, "Nation shall not lift up sword against nation... neither shall they learn war anymore." Dear Lord! may these words of "once upon a time", come true... in our time!

Cantor Leibele Waldman

Cantor Leibele Waldman, R.C.A. Victor recording artist, was born in New York City. He was reared in the deep orthodoxy which was, during his boyhood, an integral part of the community he lived in. This traditional background afforded him the heart-warming qualities for which his compositions are celebrated.

At the age of nine he already officiated at the pulpit. As a boy protege he was sponsored by various institutions. His reputation and stature as a cantor, while known to connoisseurs for years, has steadily grown, and through his concert, screen, radio and recordings he has become internationally famous.

Critics agree that the fine quality of his lyric baritone voice is especially well suited for his chosen field in music.

He has held positions considered to be among the finest in the country, and the art of his chazanuth has thrilled his congregations.
