This album is dedicated to the memory of my beloved father,
Reb Joshua Levy-Bensoussan ו"ע.

Special thanks to my dear wife
Phyllis for her support and inspiration.

This album was made in commemoration of the 500th anniversary of the expulsion of Jews from Spain in 1492.
While this album commemorates a tragic event in Jewish history, it rejoices in the survival and blossoming of Sephardic culture over the past 500 years.
