Yeshiva Songs

The "New Yeshiva Song" Album, has been carefully prepared by NAFTALI FRANKEL, who in his capacity as choral director for Yeshivas, has selected spirited and melodic songs, with which the Yeshiva student is associated, and is also familiar to all Jewish people.

You feel the spirit, and the warmth, of these traditional renditions of old melodies, plus brand new selections never before recorded. These melodies have universal charm, and will give many hours of pleasure.
